

Reiki Hike to Sacred Spiral

Sunday, April 29, 2018

10:00 am

Reiki practitioners and novices alike are invited to join Reiki Master Teachers Sabrina Paine and Khan Le for this restorative hike sponsored by The Reiki Center of Los Angeles.

Before hiking the Tuna Canyon Trails in the Santa Monica Mountains to a labyrinth that overlooks the Pacific Ocean, each participant will receive a temporary Reiki attunement. As we walk, we will send Reiki into the earth while releasing those things in our lives that no longer serve us. This simple, yet profound, ritual will be followed by a period of quiet meditation to connect with the planet, our Reiki guides, and the Universal Life Energy of Reiki.
