Everyone—with or without Kriya—is encouraged to join us for this study of Paramahansa Prajnanananda's discourses on the Yoga Sutra of Patanjali. This is an ongoing series in which participants view a weekly video presented by Paramahansa Prajnanananda, the current spiritual leader of Kriya Yoga International, followed by a discussion led by Yogacharya Richard Peterson from Kriya Los Angeles. The class is by donation (\$9 recommended) and no pre-registration is required, so **MAKE YOUR LIFE A COMPLETE LIFE** by making this series a regular part of your week.
